

A CHANCE FOR YOU TO SERVE

Heart of the Cumberland is a bible based non-profit organization that offers free group counseling. Volunteers engage children in our area schools with grief support due to divorced parents, parents in the military and death. People of all ages can come together to help each other begin a healing process. They need volunteers for the evening of February 4 to serve meals at the upcoming annual banquet. This would be a great time for teens & adults to experience the joy in giving of their time.

Does the Bible Contain Error?

Bible Study led by Associate Pastor Bryan Hickey. Last week we answered the question "Who Wrote the Bible-Humans or God?" In our Sunday evening Bible study, we will answer questions about the Bible that will help us to understand God's Word and what He is saying to us. Please join us for the next several weeks as we look deeper into various aspects of God's Holy Word.

VALENTINE'S DINNER

The violence in Uganda's northern districts left more than 30,000 children who were abducted by the Lord's Resistance Army (LRA) to train as soldiers, and about 1.8 million people fled their homes to escape. Non-profit organizations have been meeting the needs of orphaned and abandoned children, for many years, demonstrating God's love for them and improving their quality of life. You can give orphaned and abandoned children in Uganda a bed, bible and mosquito net through www.sweetsleep.org Through World Vision www.worldvision.org you can adopt your own child to help supply their needs and communicate with on a more personal basis.

When you lie down you will not be afraid; when you lie down your sleep will be sweet.
