If you will turn (repent) and give heed to my reproof,
behold, I will pour out my spirit upon you, I will make my
words known to you.

Proverbs 1:23

We need to pray and obey God's leading when He speaks to us. Obedience is not to be an occasional event for us; it is to be our way of life. There's a big difference between people who are willing to obey God daily and those who are willing to obey only to get out of trouble. God certainly shows people how to get out of trouble, but He bestows abundant blessings on those who decide to live wholeheartedly for Him and who make obedience to Him their lifestyle. The only pathway to true peace is obedience to God.

UCHRA Feed 10

The Upper Cumberland Human Resource Agency is recruiting sponsors for the nutrition program for adults. There are twenty two applicants on the waiting list to receive meals for one year. The average wait time for an applicant is two years. They will be contacting churches within the next few weeks inquiring about their interest in sponsoring an older adult and/or disabled adult. A well-balanced meal could mean the difference in staying healthy and independent or premature institutionalization. For more information contact UCHRA Nutrition Program for Older Adults and Adults with Disabilities at 931-528-1127.
