SUMMER MISSIONS REPORT Townsend, TN

Day Camps and Saturday Power Hour =721 children enrolled
Family Fun Nights = approx.. 2, 325

Most importantly, **five** people made professions of faith and **three** were baptized in “Little River”. There was more servant evangelism throughout Townsend than ever before. Teams were also involved in the “Upside Down Ministry” and engaged people from Thailand, the Netherlands, France and other lands.

The impact on visitors is powerful and the consistent witness to local workers and business owners is influencing them. The Jesus touch you bring to people gives CHARM great favor when we make visits during the off-season.

God used you to impact many people this summer. We know some of what He did but we feel just as certain that we do not know many other things that happened for God’s glory.

We can rest assured that He will continue the work He has set out to do in your lives and in the lives of those you served this summer.

Thank you,
Joe and Linda Ledford

OPERATION CHRISTMAS CHILD

<http://www.samaritanspurse.org/>

Operation Christmas Child is a simple idea that became the worldwide ministry to children affected by war, poverty, famine, and disaster. This is a memory and photo-filled twentieth anniversary celebration of a ministry that has provided more than 100 million gift-filled shoeboxes to needy children in 130 countries. There is detailed information on the table in the hallway or see Suzanne Robichaud.

There are shoe boxes in the fellowship hall if you would like to start one today.
