National Preparedness Month is geared towards building awareness and encouraging Americans to take steps to prepare for emergencies in their homes, schools, organizations, businesses, and places of worship. There are four basic preparedness steps:

### Preparedness Step 4: Get Involved

*Help your community during an emergency by becoming a member of the Upper Cumberland Medical Reserve Corps.*

- The Medical Reserve Corps unit organizes and utilizes volunteers with all types of skills and/or credentials. It helps to build a successful network of medical and non-medical volunteers to support the public health workforce during a public health emergency.
- The volunteer's role in the unit will be to practice their profession or skill as either an individual called up at the time of a disaster, or as part of a response team. For example, medical volunteers may assist with giving out medications or immunizations. Support volunteers may assist with directing patients, registration, or filling out forms.
- Register with the Medical Reserve Corps at [www.tnmrc.org](http://www.tnmrc.org) or contact Dawn Hickey at (931) 520-4208.

Lead by Dawn Hickey and Suzanne Robichaud.

## GOLDEN OFFERING FOR TENNESSEE MISSIONS

The Golden Offering for TN Missions is the annual state missions offering. It is given by TN Baptist churches to support missions and ministries in TN. It was named in honor of W.C. and Mildred Golden who suggested the week of prayer for state missions and offering in 1902. One half of the offering is allocated to starting new churches. **Our church goal is \$300.** For any questions, contact Rhonda Hall.
